

Canyon County  Festival of Trees

July 24, 2018

Dear Friends of the Canyon County Festival of Trees,

The Canyon County Festival of Trees has provided funding for the Nampa and Caldwell Meals on Wheels programs for 25 years. With the help of our generous community, we have raised over \$950,000 to support these essential programs in providing nutritious meals for thousands of homebound seniors.

The board is hard at work to make the 2018 Canyon County Festival of Trees bigger and better than it has ever been. Our waiting list for seniors is growing and we are seeing more of a need than ever before for additional funding.

We have many sponsorship opportunities for this year's event and ask you to consider supporting this very worthy cause. If a sponsorship is not an option for you or your business, there are many other ways to give back and be a part of this great event. We are accepting silent auction items, cash donations, decorated trees for auction, wreaths, centerpieces and table purchases for our gala and auction. The Canyon County Festival of Trees is a registered 501c3 non-profit and all donations are tax deductible.

Please mark your calendars for November 23-26, for our 2018 Canyon County Festival of Trees event located at the Ford Idaho Center in Nampa.
